## **Appendix 2**

### **Value of Thresholds**

1. In calculating the value of a contract, entities shall include any procurement for which the value of the procurement is estimated to be below the relevant values specified in the Parties' respective Appendices to Annex 15.1 of this Chapter. Entities shall include in such an estimate the maximum total estimated value of the procurement and any resulting contracts over the duration of such contracts, taking into account all options, premiums, fees, commissions, interest and other revenue streams or forms of remuneration, provided for in such contracts.
2. Each Party shall publish the value of the thresholds under this Chapter expressed in the corresponding national currency.
3. For Korea, the calculation of these values shall be based on the average of the daily values of the Special Drawing Rights (SDR) to Korean won exchange rate over the 24 months preceding October 1 or November 1 of the year prior to the thresholds in national currency becomes effective, which will be from January 1.
4. For Chile, the calculation of these values shall be based on the average of the daily values of the SDR to Chilean peso exchange rate over the 24 months terminating on the last day of August preceding the revision with effect from January 1.
5. The value of the thresholds thus revised shall, where necessary, be rounded down to the nearest ten thousand Chilean peso and ten million Korean won.
